

ITPV Memory Hose

Vehicle engine exhaust hose

Application:

Specialty exhaust gas hose suitable for suction of vehicle engine exhaust gas, vehicle exhaust hose reels, slotted floor channels, above and below floor fume extraction.

Features:

- Vibration resistant
- Crush proof
- Highly flexible and compressible
- Fabric reinforced
- Good resistance to chemicals
- Small bend radius
- Gas and liquid tight
- Flame retardant tested to UL94-HB

Material:

Wall: TPV coated fabric
Helix: Special hollow plastic Helix

Working Temperature:

up to 180 deg C

ID	OD	Length (m/roll)	Working Pressure (bar)	Weight (g/m)
51	58	15	0.4	410
63	80	15	0.28	510
76	89	15	0.18	540
102	115	15	0.05	720
127	140	15	0.035	880
152	167	15	0.025	1050
